

Bryan Meltzer Rise Up Scholarship Application Instructions

You can apply for this scholarship using our online application or by making a video to answer the questions. A family member can help you with this. If you make a video, be sure to talk about all the points listed. The application and supporting documents can earn you a total of 100 points.

A paper copy of this application is available if that is preferred. Please request a copy from us by emailing theepdsc@gmail.com or calling us at 484-224-5288.

Submission Instructions:

- Submit the answers to the questions below on our ONLINE APPLICATION here: <https://bit.ly/BryanMeltzerScholarship>.
- Email all required documents or video recordings to theepdsc@gmail.com with subject line: "ATTN: Scholarship Committee."
- If submitting a video, please upload it to any video platform, (e.g., YouTube, Vimeo) and provide the link in your application.
- The application deadline is March 1st.
- Late or incomplete applications will not be considered.

Here are a few ideas for utilizing the Bryan Meltzer Rise Up Scholarship:

- **Educational Courses or Workshops:** Sign up for classes or workshops that match your interests or future dreams. These could be art classes, computer lessons, cooking workshops, or other ways to learn new skills.
- **Specialized Training or Certifications:** Use the money for special training or certificates that can help you reach your career or personal goals, like job skills training or certificates in something you're interested in.
- **Assistive Technology:** Buy technology or devices that can help with learning, talking, or daily tasks, making it easier to reach your goals.
- **Creative Projects:** Use the money to start a creative project, like a small business, making artwork, or creating a blog or vlog to show off your talents and interests.
- **Sports or Fitness Programs:** Join a sports team, dance class, or other fitness activities that help you stay healthy and work on your fitness or sports goals.
- **Attend a Conference for Personal Growth:** Use the funds to go to a conference or workshop that matches your personal goals, like a Down syndrome event.
- **Music or Performing Arts:** Spend the funds on music lessons, theater classes, or other creative activities that help you develop your talents and build confidence.
- **Mentorship or Coaching:** Get help from a mentor or coach who can give you advice and support to reach your personal or career goals.
- **Personal Development Programs:** Join programs that focus on personal growth, like life coaching, leadership training, or self-help classes, to help you become the best version of yourself.
